

Stage # 2

Bank Bandits

RULES: IDPA Rule Book 2005
CONCEALMENT GARMENT: Required

COURSE DESIGNER: Jon Santini

STARTING POSITION: Standing at P1, strong hand touching barricade, gun holstered and loaded to division capacity.

SCENARIO: You and your spouse are running an errand at the bank. Your spouse goes into the bank while you go to the phone booth (yes, they do still exist!) to make a call because you left your cell phone at home. You hear shots and screams come from the bank and you see several armed bandits exit the bank with your spouse as a hostage. All of your life savings was just withdrawn because you found a better interest rate elsewhere. Not sure which motivates you more, your spouse or the money, you react and take down the bad guys.

STAGE PROCEDURE: At the start signal, draw and engage T1-T4 with 2 shots each in tactical priority while using cover.

Notes:

- Reload as necessary using any IPDA reload from cover only.
- T2 and T3 are only visible from 1 side of cover or the other. You will have to change sides.
- The steel at T2 will flip up T2 when it is knocked down. This is NOT a disappearing target and can incur a FTN penalty.

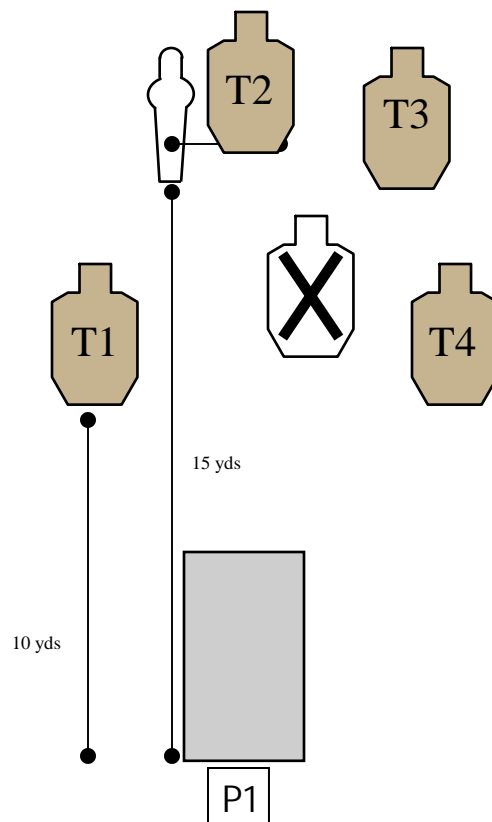

SCORING: Vickers Count

RELOADS: Any IDPA reloads

ROUND COUNT: 9 Minimum

START-STOP: Audible and last shot

SCORED HITS: Best 2 shots on T1-T4, knock down steel
