

STAGE 5 Bay 4 DMG side match		They want to take you out (again)	
RULES: IDPA- concealment required Pistol and rifle loaded to division capacity		Course Designer: Steve Ormeroid	6/6/2011
STARTING POSITION: P1 hands at side, facing downrange, rifle at cruiser ready in "trunk" of car			
SCENARIO: While returning to your car after a walk in the woods, you discover a roving gang of car thieves. They are 3 timers and don't want to get caught, so they start shooting at the only witness-YOU! You run to your car for cover as you take care of the bad guys shooting at you. After dealing with these close-up cretins, suddenly their drug fueled red hat look outs try to finish you off with rifle fire from the hill tops. Run to your trunk, grab your rifle and continue to be a living witness to their murderous ways instead of a statistic.			
STAGE PROCEDURE: Hands at side, facing right berm, at the signal, turn, draw and engage T1 and then all other close range targets as they become visible while moving to cover at the car. Engage all other close range targets with the pistol in tactical priority using cover. Note- do not shoot through car windows. Tires and engine block areas are only true cover. Shooting under car is allowed if using proper cover. Body is to be behind tire area. After engaging all pistol targets, move to the trunk, place pistol unloaded or in "safe" condition in gun box, muzzle facing down range. Retrieve rifle and move to immediate cover behind car. Note- rifle is in cruiser ready, chamber must be charged. Engage all distant rifle targets (w/ red hats) in tactical priority.			
SCORING: Vickers Count		RELOADS: Any IDPA reloads behind cover.	
START-STOP: Audible & Last shot		SCORED HITS: best 2 on paper, steel down or knocked down	
SPECIAL NOTES: Cruiser ready-mag in, bolt down, safety on		ROUND COUNT: 11 pistol, 10 rifle	
PP1 pistol target activates R1 rifle swinger target, pistol box and rifle rack to be set behind car trunk, rifle targets to have painted "hats"			
SAFETY ISSUES: Watch muzzles when transitioning firearms		TARGET DISTANCE: 3 yds to 50 yds
